THERE ARE *THREE* PRICES... WHICH ONE SHOULD I PICK?

When you look at our Program Guide you'll sometimes see three (or more) price options. We call this system "Pick Your Price". **Basically, we are asking you to decide which of the three options is right for you.**

HERE'S HOW IT WORKS

We don't want to see your bank statements, tax forms, or have you fill out a form to determine what fee you pay. We trust that you know how much you can afford and we are committed to bringing you outdoors, regardless of your financial situation.

So, we have three price levels. **You can choose the one that feels right to you.** If you can afford the larger price, awesome! If you can't, we're still thrilled to have you come! Each price is in one of the categories below:

Price break: If you would like to attend but you're not in a position to pay full price, please choose this option

Member discount: Thank you for supporting UEC! Your membership helps cover our costs and so much more.

Program cost: This fee ensures we cover our costs.

That's it! Just choose a program, register online, Pick Your Price, and enjoy!

As you plan your holiday giving, don't forget to include your favorite charities. **Giving Tuesday** is your chance to support the causes you care about all year long. You can make a difference in our community! Happy Giving Tuesday!

SEPTEMBER CLOSINGS

All of our branches will be closed September 19-20 as our staff attends their yearly retreat. As our staff also has an option to go up the night before for fun, our Menomonee Valley and Riverside Park branches will close at 4pm on Wednesday, September 18. The Evening Bats Survey at Menomonee Valley will go on as planned (weather permitting).

We look forward to seeing you after we get back!

ART OPENINGS AT THE URBAN ECOLOGY CENTER

To complement our mission of using urban nature to educate and inspire, we feature artwork exhibits in our Riverside Park and Menomonee Valley branches. All of the work displayed feature nature-related subjects, the natural sciences, natural products used as art or the relationship of the urban environment to nature in their themes. Below are our upcoming shows.

HOOPS BY THE LUNA ART COLLECTIVE

Latinas Unidas en las Artes (LUNA) is a collection of diverse Latina artists with unique viewpoints from the Milwaukee area that create art and offer each other support. This show, "HOOPS", is a collective representation of our various Latinx roots, rituals and spirituality. From chunky to dainty, bodega purchased or passed onto us from our familias; see how we deconstruct stigmas and reclaim our HOOPS journeys. Artist(s) will speak at 6 pm. Light refreshments will be served.

HOOPS Opening:

Thursday, September 12, 5- 7 pm | Menomonee Valley

BETH STODDARD AND DANIELLE BELL

Beth's oil paintings are works of art celebrating Milwaukee County Parks and their meandering footpaths, leafy shade trees and serene lagoons. Visible brushwork and a modernist emphasis on shapes activate the restful imagery. The subject of Danielle's photography is the Details of Nature. By removing all the outside clutter, she attempts to create a hyper focused moment of time by capturing important details in nature that people overlook.

Beth Stoddard and Danielle Bell Opening:

Thursday, October 10, 5- 7 pm | Riverside Park
